Charlotte Lawrence

Cheryl Rook

Bronwyn Wattrus

Brian Rook
Councillor

Apatono / Delegations

Teh Community Board is delegated the power to grant funds from a Discretionary Fund within the purpose of the Local Government Act 2002

Ngā Mahi o ngā Komiti Hapori / Roles of Community Boards

Community Boards are set up under Section 49 of the Local Government Act 2002 (LG 2002) and their role is detailed under section 52 of the LGA 2002 to:

- Represent and act as advocates for the interests of their community;
- Consider and report on all matters referred to it by the Council or any matter of interest or concern to the Community Board;
- Make an annual submission to the Council on expenditure within the community;
- Maintain an overview of services provided by the Council within the community;
- Act as a channel of communication between the community and Council;
- Undertake any other responsibilities delegated by the Council.
- The Pātea Community Board plus one representative from each of the three iwi Ngāti Ruanui, Nga Rauru Kīitahi and Ngā Hapū o Ngaruahine, have the delegation to make recommendations to the Council regarding the Pātea Harbour Endowment Fund.

Board Minutes

5

To	Pātea Community Board
Date	16 September 2026
Subject	Pātea Community Board – 5 August 2026

(This report shall not be construed as policy until adopted by full Council)

Whakarāpopoto Kāhui Kahika / Executive Summary

1. The Pātea Community Board met on 5 August 2026. The Pātea Community Board is being asked to confirm their minutes from 5 August 2026 as a true and correct record.

Taunakitanga / Recommendation

THAT the Pātea Community Board receives the minutes from their meeting held on 5 August 2026 as a true and correct record.

Meniti Minutes

5

Ngā Meniti take Poari Hapori o Pātea Pātea Community Board Meeting

Hunter Shaw Building, Egmont Street, Pātea, on Wednesday 5 August 2026 at 4.03 pm.

Kanohi Kitea / Present: Jacq Dwyer (Chairperson), Charlotte Lawrence, Cheryl Rook and Bronwyn Wattrus and Councillor Brian Rook (arrived 4.05 pm).

Ngā Taenga-Ā-Tinana / In Attendance: Mayor Phil Nixon, Rob Haveswood (Community Services Group Manager), Kaya Acero (Governance Officer), Meagan Edmonds (Governance Team Leader) and nine members of the public.

Matakore / Apologies: Councillor Brian Rook (lateness)

RESOLUTION

(Mrs Rook/Ms Wattrus)

30/26 PA THAT the apology from Councillor Brian Rook for lateness be received.

CARRIED

Councillor Brian Rook arrived at 4.05pm.

1. Tauākī Whakarika / Declarations of Interest

There were no declarations of interest declared at the meeting.

2. Whakatakoto Kaupapa Whānui, Whakaaturanga hoki / Open Forum and Presentations

2.1 Community Emergency Management Hubs – Glenn Hansen and Olivia Conley

Ms Conley from Taranaki Emergency Management Office (TEMO) and Mr Hansen, Council's Emergency Management Officer provided an overview of the Community Emergency Hub model.

Ms Conley advised that Community Emergency Hubs represented a shift from the traditional Civil Defence Centre model towards a community led approach focused on local resilience and self-sufficiency. It was noted that these hubs provided locally agreed places (that would be assessed on a case by case basis after an emergency) where communities could undertake welfare assessments, share information and support one another during the initial stages of an emergency before official assistance was able to arrive.

Ms Conley advised that the model recognised that communities were often the first to respond following an event and aimed to support this by providing training, resources and

planning assistance. She noted that the process included identifying local hazards, community strengths and vulnerabilities, understanding the needs of vulnerable residents, and selecting suitable facilities that could potentially be utilised during an emergency.

Mr Hansen noted that lessons from recent weather events throughout New Zealand had demonstrated the importance of community led responses, particularly where emergency services and welfare agencies were overwhelmed or unable to access affected areas immediately. He advised that local communities often had the best understanding of their people, facilities and local hazards and were therefore well placed to coordinate an initial response.

Mr Hansen further advised that the Community Emergency Hub model improved communication between communities and emergency management agencies by providing a more coordinated process for sharing information and identifying needs.

2.2 Māori Women's Welfare League Funding Application - Robina Whichman

Ms Whichman introduced herself to the Board and provided an overview of her background in the Pātea community. Ms Whichman noted her involvement with Pariroa Pā, the Māori Methodist Church and Nga Pūawai o Te Tonga.

Ms Whichman spoke to the funding application and outlined a range of activities undertaken by the group within the community. Ms Whichman advised that the group also supported whānau through education, health promotion and wellbeing initiatives.

Ms Whichman advised that the group regularly promoted health initiatives, including vaccination awareness and whānau wellbeing programmes, and that members wore uniforms representing Ngāti Ruanui at community events.

Mrs Wattrus queried which of the proposed flags would be most suitable for the group's needs. In response, Ms Whichman advised that the larger flag would be the preferred option.

Mayor Nixon thanked Ms Whichman for her contribution to the community and sought clarification on the application costs. Ms Whichman advised that the costs related to three different sized flags featuring the same design.

2.3 Waverley Beach Access - Vicki Koubaridis

Ms Koubaridis spoke to the Board regarding vehicle access to Long Beach in Waverley and outlined concerns regarding the condition of the existing beach access tracks.

Ms Koubaridis advised that she had been working with the Council on the matter for a number of years and noted that access to Long Beach had become increasingly restricted. She advised that the closure of the former access track had increased erosion and contributed to the formation of a gully. Sand accumulation was also creating issues for residents and access routes. Ms Koubaridis considered that a long term solution was required to restore safe and practical access to the beach.

In response, Mr Haveswood advised that Council officers were scheduled to meet with representatives from the Department of Conservation in the coming weeks to discuss the

site and review the Bullet Track option. He noted that previous discussions regarding beach access and a potential boat ramp had identified significant consenting challenges, particularly relating to protected wetland and endangered grass environments. Mr Haveswood advised that obtaining a consent for a boat ramp in the preferred location was currently considered unlikely and that the Council had instead been investigating improvements to alternative beach access points as an interim solution.

Mr Haveswood advised that previous access arrangements related to a different location and that environmental and erosion issues continued to present challenges. He further noted that one option discussed involved environmental offsetting, however, this would require the Council to undertake ongoing management of similar vegetation elsewhere and had not been supported.

Ms Koubaridis noted that beach access was important not only for recreational users but also for emergency access and public safety purposes. Mayor Nixon agreed that any solution capable of providing suitable beach access would also benefit emergency response requirements.

Mrs Wattrus queried whether Central Government infrastructure funding could assist with progressing a solution. In response, Mr Haveswood advised that funding was not currently the primary constraint and that the main challenge remained obtaining the necessary environmental approvals and consents.

2.4 Dallison Park Access and Security - Joanne Peacock

Mrs Peacock spoke to the Board regarding the recent locking of gates at Dallison Park and the impact this had on users of the park and surrounding community facilities.

Mrs Peacock advised that she was speaking in her capacity as Secretary of the Waverley Bowling Club, Chair of the Waverley Town Revitalisation Committee and as a regular user of the area. She outlined concerns regarding the implementation of the gate closure, noting that key users were given limited notice before the gates were locked. Mrs Peacock advised that the Bowling and Croquet Clubs relied on vehicle access through the gates. The closure had created operational challenges, particularly for members transporting equipment or supplies and for those with mobility limitations.

Mrs Peacock noted that the Bowling Club regularly hosted events and activities involving large numbers of participants and considered that requiring clubs to unlock and lock gates throughout the day was impractical. She further advised that the closure affected a wider range of park users, including families, dog walkers and visitors accessing the park and associated facilities.

Mrs Peacock advised that members of the Croquet Club shared similar concerns and expressed disappointment. She noted that limited key access had created difficulties for users and volunteers responsible for managing club activities.

Mayor Nixon acknowledged the concerns raised and advised that, while the decision had been driven by ongoing vandalism, property damage and maintenance costs, the implementation could have been managed more effectively. He noted that vandalism across the District had become a significant issue and had prompted the Council to consider measures to reduce damage to public facilities.

Mayor Nixon advised that locking the gates during the day was unlikely to be an appropriate long term solution and considered that a balanced approach was required that protected public assets while maintaining community access. He encouraged the Council and community groups to continue working together to identify a practical solution.

2.5 Community Safety and Infrastructure - Laurie Hemmet

Mr Hemmet raised concerns regarding reinstatement works associated with recent underground infrastructure works at the northern end of Pātea. He advised that sections of the roadway had begun to subside and noted that heavy vehicles travelling over the area appeared to be exacerbating the issue.

Mayor Nixon acknowledged the concern and advised that, while the work was associated with Waka Kotahi infrastructure, it was useful for the Council to be made aware of such matters so they could be followed up with the appropriate agency. He noted the value of local residents acting as the eyes and ears of the community.

3. Whakaaetia ngā Menīti / Confirmation of Minutes

3.1 Pātea Community Board Meeting held on 10 June 2026.

RESOLUTION

(Ms Wattrus/Ms Lawrence)

31/26 PA THAT the Pātea Community Board adopts the minutes from their meeting held on 10 June 2026 as a true and correct record.

CARRIED

4. Pūrongo / Report

4.1 Local Discretionary Funding Applications

The report provided a summary of the applications received to the July 2026 Local Discretionary Fund including the status of the Board's Fund.

RESOLUTION

(Ms Lawrence/Mrs Rook)

32/26 PA THAT the Pātea Community Board receives the Local Discretionary Funding Report.

CARRIED

Waitōtara School

A funding application was received from Waitōtara School for funding toward the installation of a drinking fountain.

Mrs Rook noted that while schools were generally ineligible to receive funding under the Community Funding Policy, the Board retained discretion when considering individual applications.

Mrs Rook advised that the proposed drinking fountain would be located near the school playground and noted that while students were encouraged to bring water bottles to school, this did not always occur. She considered that an additional drinking water source near the playground would provide a practical benefit for students.

RESOLUTION

(Ms Wattus/Mrs Rook)

33/26 PA THAT the Pātea Community Board allocates \$1,827.45 from their Discretionary Fund to Waitōtara School for funding toward the installation of a drinking fountain.

CARRIED

Nga Pūawai o Te Tonga

A funding application was received from Nga Pūawai o Te Tonga for funding toward the purchase of a flag.

Discussion was held regarding the information provided within the application. Members noted that there appeared to be some uncertainty regarding the number and size of flags being requested, as the application included costs for multiple flag options while the presentation indicated that only one flag would be required.

Mayor Nixon noted that clarification was required regarding the applicant's preferred option and the total amount sought.

Members discussed partial funding options, however agreed that additional information should be obtained before making a decision.

RESOLUTION

(Ms Dwyer/Ms Wattus)

34/26 PA THAT the Pātea Community Board defers the funding application from Nga Pūawai o Te Tonga for funding toward the purchase of a flag.

CARRIED

5. Ngā Take Kawea / Items for Action

5.1 Civil Defence Community Response Plans

Mr Haveswood advised that the Community Emergency Hub model had been presented to the Board earlier in the meeting during Open Forum.

It was noted that the programme remained focused on supporting community resilience and preparedness through community led emergency response planning. Mr Haveswood encouraged members to continue considering potential volunteers, community leaders and suitable hub locations as the project progressed.

5.2 Mana Bay Block Extension

Mr Haveswood advised that there had been no significant change since the previous update. It was noted that investigations remained ongoing to better understand the design considerations associated with the project and that no funding had been committed for the work in the 2026/27 financial year.

6. Pūrongo-Whakamārama / Information Reports

6.1 District LibraryPlus Report – April to June 2026, and the 2025/26 year

The report covered a range of library activities and statistics across the District for April to June 2026, and the year ended 30 June 2026.

Mr Haveswood advised that a direct link to the LibraryPlus events calendar had been included within the report to provide greater visibility of programmes and activities occurring across the District. He noted that the report also highlighted a general trend of decreasing use of some digital services alongside increased borrowing of physical resources.

Ms Dwyer commented positively on the level of activity occurring within libraries and noted the popularity of community groups and programmes.

Mrs Rook raised concerns if opening hours at rural libraries were reduced in the future. She noted that LibraryPlus facilities in Pātea and Waverley already operated shorter hours than Hāwera LibraryPlus and considered the local libraries to be well used by the community.

In response, Mr Haveswood advised that, as part of the development of the 2027-2037 Long Term Plan, the Council was reviewing all services and activities. He noted that no decision had been made regarding library opening hours and that planning for the Long Term Plan remained in its early stages.

Mrs Rook queried whether there would be opportunities for public consultation.

Mr Haveswood advised that the Council would first provide high level direction to officers, who would then prepare budgets. He noted that community consultation and feedback would take place through the LTP consultation process in the first half of 2027.

RESOLUTION

(Cr Rook/Ms Wattus)

35/26 PA THAT the Pātea Community Board receives the District LibraryPlus Report for April to June 2026, and the year ended 30 June 2026.

CARRIED

6.2 Quarterly Economic Development and Tourism Report to 30 June 2026

The report provided a combined update on activities and highlights from the Economic Development and Tourism Units to 30 June 2026.

Mr Haveswood highlighted the ongoing work being undertaken through the Council's partnerships with Venture Taranaki and Bizlink Hāwera. He also acknowledged the positive outcomes achieved through the Mayor's Taskforce for Jobs programme.

RESOLUTION

(Mrs Rook/Ms Wattus)

- 36/26 PA THAT the Pātea Community Board receives the Quarterly Economic Development and Tourism Report to 30 June 2026.**

CARRIED

6.3 Local Discretionary Funding Applications – End of Year Summary

The report provided an end of year summary of Local Discretionary Funding allocations for the 2025/26 financial year.

Members discussed the distribution of funding during the year and acknowledged the high level of demand placed on the available funding pool. It was noted that the Board had continued to prioritise support for local community groups and organisations while also contributing toward District-wide initiatives.

RESOLUTION

(Cr Rook/Ms Wattus)

- 37/26 PA THAT the Pātea Community Board receives the Local Discretionary Funding Applications – End of Year Summary.**

CARRIED

6.4 Facility Usage Report

The Facility Usage Report summarised the total usage of a range of Council owned assets and services, within the South Taranaki District.

RESOLUTION

(Ms Lawrence/Mrs Rook)

- 38/26 PA THAT the Pātea Community Board receives the Facility Usage Report.**

CARRIED

The meeting concluded at 5.52 pm.

Dated this day of 2026.

.....
CHAIRPERSON

Pūrongo Report

6.1

To	Pātea Community Board
From	Kaitātari Ope Whaitikanga / Governance Officer, Kaya Acero
Date	16 September 2026
Subject	Local Discretionary Funding Applications

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report provides a summary of the applications received to the August 2026 Local Discretionary Fund (the Fund) including the current status of the Board's Fund. The balance of available budget for allocation has been included in [Appendix 1](#). One application was received.
2. Each Community Board has the delegated authority to approve grants qualifying for Local Discretionary funding as per the Community Funding Policy.
3. Organisations undertaking a project that has a District-wide impact can request funding from all four community boards through the completion of a District-wide application form. Decisions on District-wide applications will be made quarterly after being discussed at the Mayor and Chairs' forum. District-wide applications closed in August 2026, there were no applications received. The next round of District-wide applications will be considered at the next Mayor and Chair's forum in November with the final decision to be made by all four Community Boards in early 2027.

Taunakitanga / Recommendation

THAT the Pātea Community Board;

- a) Receives the Local Discretionary Funding Report.
- b) Receives any applications (if applicable) requesting funding assistance from the Local Discretionary Fund and;
 - i. Approves to fund the application(s) for the amount requested; or
 - ii. Approves to fund the application(s) for a different amount; or
 - iii. Defers the application(s) to the next funding round; or
 - iv. Declines funding for the application(s) submitted.

Kupu Whakamārama / Background

4. The purpose of the Fund is to fund projects within the ward or District that encourage groups with non-profit making or charitable aims to deliver services, facilities, amenities or programmes for the benefit of the community.
5. Applications must meet the funding conditions outlined on the application form which are set through the Community Funding Policy.
6. Within a triennium, any funding unallocated by a Board at the end of the financial year will be carried over and added to the next financial years' distribution amount. Please note due to the current triennium end date of 30 June 2027 any unallocated funding will not rollover at the end the financial year.
7. The Fund balances set for each financial year are currently based on Census population data, a reallocated amount from the superseded Community Initiatives Fund, plus \$3,834.02 carryover from the previous year. The amounts are as follows for the 2026/27 year:

Eltham-Kaponga Community Board	\$32,989.62
Te Hāwera Community Board	\$41,895.00
Taranaki Coastal Community Board	\$33,125.92
Pātea Community Board	\$26,745.02

Local Government Purpose

8. The purpose of Local Government is: "to promote the social, economic, environmental and cultural well-being of communities in the present and for the future". Funding projects that meet the criteria of the Fund meet the Social, Economic, Cultural and Environmental well-being of the community.

Ngā Kōwhiringa / Options – Identification and analysis

9. There was one application received for the Pātea Ward, and no District-wide applications received.

Option(s) available

10. The possible options for each application are:
 - a) Option One: Approve the application for the requested amount; or
 - b) Option Two: Approve the application for a different amount; or
 - c) Option Three: Defers the application to the next funding round; or
 - d) Option Four: Decline the application.

Whaiwhakaaro me ngā aromatawai / Considerations and Assessments

11. Each application should be considered against its alignment to the purpose of Local Government as well as the extent to which the projects meet the overall Fund objectives and criteria.

Ineligible for funding

- a) Travel costs
- b) Gifts
- c) Conference attendance
- d) Food and catering costs
- e) Rates relief
- f) Applications from Regional Sporting Organisations
- g) Applications from other Government departments
- h) Retrospective funding

Whakarāpopototanga Pūtea Kōwhiri-ā-rohe / Local Discretionary Funding**Local Discretionary Funding Applications – August (Round Two)**

- 12. The total amount available for the Pūtea Community Board to distribute for the remainder of the financial year is \$24,917.57.
- 13. An application has been received from Nga Pūawai o Te tonga for the Board's consideration.

Nga Pūawai o Te Tonga

- a) Purpose of Group: Support within local community.
- b) How is the group usually funded: Fundraising.
- c) Project Description: Purchase of flags and flat plate flag base.
- d) Project cost details: Refer Table 13.1.

Table 13.1: Project cost details

Item	Cost
Small Flag 2200mm	\$380.00
Large Flag 4050mm	\$650.00
10kg Flat Plate Flag Base	\$190.00
Total Project Cost	\$1,220.00

Income Source	Confirmed	Amount
Nil	-	\$0.00
Total Funds Available		\$0.00

Funding Summary	
Total Project Cost	\$1,220.00
Less/Minus Total Funds Available	\$0.00
Difference/shortfall	\$1,220.00
Amount requested from Discretionary Fund	\$1,220.00

Considerations

- 14. The applicant was clarified they were seeking funding for:

- One Small Flag
- One Large Flag
- One Flat Plate Flag Base

Whakakapia / Conclusion

6.1

15. This report provides a summary of the applications received for the August 2026 funding round. In total, there was one applicaton received for the Board to consider.

Pūrongo-Whakamārama Information Report

To	Pātea Community Board
From	Kaiarataki Ratonga Hapori / Group Manager Community Services, Rob Haveswood
Date	16 September 2026
Subject	Community Services Activity Report

8.1

Whakarāpopoto Kāhui Kahika / Executive Summary

1. This report updates the Pātea Community Board on activities by the Community Services Group across the District and other items of interest for June, July and August.
2. The Group provides a wide range of facilities and services across the District. The Group is split into four key activity areas and responsibilities, comprising:
 - a) Property and Facilities,
 - b) Community Development,
 - c) Economic Development,
 - d) Libraries, Cultural Services and Arts.
3. Libraries and Economic Development are reported separately in the District LibraryPlus and Quarterly Economic Development reports.

Taunakitanga / Recommendation

THAT the Pātea Community Board receives the Community Services Activity Report.

Whakawhanake Hapori / Community Development

RoadSafe Taranaki – Supporting Safer Journeys Across Our District

4. RoadSafe Taranaki continued to deliver strong community safety outcomes through education, engagement, and partnership programmes across the districts.
5. Recent activities included partnering with Te Paepae o Aotea and Stratford High School Students Against Drunk Driving (SADD) students to deliver the “Be Safe Be Seen” campaign in Hāwera and Stratford. The initiative promoted pedestrian, cyclist, and jogger visibility through community engagement and the distribution of safety equipment, including lights, reflective bands, and high-visibility vests.
6. Planning is underway for future programmes, including bus safety education, cycle skills training and back-to-school road safety initiatives.

7. RoadSafe Taranaki has continued to achieve strong community outcomes during the past 12 months, including engagement with:

- 700 to 950 students through Cycle Skills training.
- 685 participants in the Helmet Competition.
- 219 Road Patrol students.
- 150 Ready2Drive participants.
- 71 Young Driver Weekend participants.
- Numerous workplace charter organisations, older driver programmes, mobility scooter users, and community event attendees.

8.1

Town Revitalisation Projects

8. Several priority Town Revitalisation infrastructure projects continue to progress across the District, with notable milestones achieved at Ōpunakē Te Puna Manawa Ora, Eltham Stark Park, Pātea Ārangirangi - Salt Marsh Lookout, Waverley Town Belt, and Hāwera Skate Park shelter.

Ōpunakē – Te Puna Manawa Ora

9. Construction at Te Puna Manawa Ora has continued to make progress throughout July and August, with the project now entering a stage where many of the key design features are becoming clearly visible and the overall space is beginning to take shape.
10. Key milestones achieved during the reporting period included:
 - Installation of the two principal cultural feature rocks (toka), named *Ōmata ki tai* and *Ōmata ki uta*.
 - Completion of a karakia with local hapū to acknowledge the cultural significance of the features.
 - Installation of the corten steel feature wall.
 - Reconstruction of the rock leaner wall using stone repurposed from the original site.
 - Completion of exposed aggregate concrete works at the library entrance to improve accessibility and connectivity.
11. The project is now well into its main construction phase, with progress becoming increasingly evident across the site. The installation of the concrete walkways is bringing the design to life and transforming the area at a rapid pace. As more of the key features are

completed, the space is beginning to reveal its final character as a welcoming and vibrant destination for community gatherings, recreation, and social connection.

8.1

Eltham - Stark Park

12. Construction at Stark Park has progressed well throughout July and August, with earthworks now underway and the site beginning to visibly transform. The site has been levelled, the former concrete stage has been removed, and contractors have completed the site preparation, layout and pegging with trenching and key foundations having been constructed.
13. New boundary fence posts have also been installed to improve and streamline pedestrian access between the town centre and Bridger Park, creating a tidier and more welcoming streetscape. With the initial groundwork started, activity on site has ramped up as underground services are installed and construction moves into the next phase.

Waverley Town Belt Area 2 - Access and Circulation Improvements

14. Stage 2A of the Waverley Town Belt development has now been completed, marking another significant milestone in the ongoing enhancement of this important community recreational space.
15. The completed works include a new car park and an expanded network of pedestrian pathways, improving access, connectivity, and ease of movement throughout the reserve. These upgrades provide stronger links between Aotea Park, Dallison Park, and the Fookes, Waitangi, and Chester Street intersection, making the area more accessible and enjoyable for residents and visitors alike.

16. This stage builds on earlier investments in pathways, fencing, and supporting infrastructure, further strengthening the Town Belt as a connected, welcoming, and user-friendly destination for recreation, exercise, and community use. The improvements contribute to a safer and more cohesive environment while enhancing access to key amenities and open spaces throughout the reserve.
17. The final component of the project will be the completion of reforestation planting. These works will enhance biodiversity, expand native habitat, improve environmental resilience, and support the long-term ecological vision for the Waverley Town Belt.
18. A formal blessing and opening ceremony for Stage 2A is scheduled for mid-September 2026, providing an opportunity to acknowledge the successful completion of this co-design led Waverley Town Revitalisation project and celebrate the continued investment in this valued community asset.

Pātea - Ārangirangi Saltmarsh Lookout

19. Construction of the Pātea Salt Marsh Lookout is nearing completion, with the main civil works now finished. The new viewing platform, stairs, accessible ramp, beacon light, feature rocks, and bollards have been installed, providing a safe and accessible space for residents and visitors to enjoy and learn about this unique natural environment.
20. The project supports both public enjoyment and the protection of the salt marsh ecosystem, providing enhanced opportunities for environmental education, recreation, and connection with the area's natural values.
21. The remaining works include installation of the bespoke bench, completion of the concrete etching, installation of the information sign, and final landscape planting and mulching. These finishing elements will further enhance the site and complete the overall visitor experience.

Hāwera Skatepark Shelter

22. Te Hāwera Community Board shade shelter is now installed at the Hāwera Skate Park. The orange structure provides shelter for skate park users and spectators and represents an investment in the amenity of this popular community space.
23. The project is now moving into the next stage, with design options and cost estimates being considered for bespoke seating and tables beneath the shelter.
24. The proposed seating concept would create a functional gathering space for skaters, families and visitors, further enhancing the skate park as a welcoming place to connect and spend time.

Ngā Tūrawa / Property and Facilities

Manaia Facilities

25. Demolition of the Manaia buildings has been completed with both the sites having now been levelled and tidied. Topsoiling of the Town Hall site has been completed, and the site is being prepared for grassing. A temporary fence has been installed across the road frontage primarily to discourage any temptations to drive onto the site.

26. At the Sports Complex site, the crushed recycled concrete from the demolitions has been spread and compacted across the site. The quantities were not sufficient to be able to level off the ground to the height of the car park as can be seen from the attached photo. Officers have decided to leave the level as is for now and until the geotechnical testing has been done for the new build. That is in case further excavation is needed to meet required compaction for the new building foundations.

8.1

Naumai Park

27. Overgrown vegetation surrounding the shelter in Naumai Park has been pruned to improve visibility in and around the area. As an added benefit, the removed ponga ferns have been transplanted elsewhere within the park. This work has created a lighter, brighter space while also helping to expand plantings throughout the park.

Scott St Walkway

28. In partnership with students at Tawhiti School in Hāwera, students recently returned to the Scott Street walkway to care for the plants they had helped to plant a year ago. Taking advantage of sunny winter days, the students released the young plants from competing weeds and applied a generous layer of mulch around their bases. This work will help suppress future weed growth, retain soil moisture and support healthy plant growth.

Hāwera Aquatic Centre

29. The Hāwera Aquatic Centre pipework project is progressing well, with the facility set to transition from gas to electricity based heating and ventilation systems. These upgrades will significantly reduce carbon emissions, improve energy efficiency, and support the long term sustainability of one of district's most valued community facilities.
30. The facility was closed for 3 weeks, re-opening on 24 August, while the final stages of the project were completed.

8.1

District rural swimming pools

31. The aquatics team have started prepping the rural pools for the upcoming season. Increased activity is expected in the lead up to the opening of the pools in mid- December. Starting water blasting and cleaning in advance takes some of the pressure off later. Other than Rāwhitiroa, all the other rural pools have now been emptied, water-blasted and the changerooms cleaned out.

Emergency Management

32. The recently completed Coordinated Incident Management System (CIMS) 3 Course (Level One Emergency Management Training) had 14 officers attend, this has raised the proportion of trained staff to over 75%. The Council has a non-financial performance target of having more than 50% of staff trained in Emergency Management at Foundation Level.

33. In August officers worked with the Hāwera Hato Hone St John Youth to attain their Emergency Management Badge. Taranaki Emergency Management Office assisted in helping the cadets learn the important knowledge and skills they need to respond well in different crisis situations. The badge also covers a detailed understanding of the "4 R's," with a focus on response and recovery and the CIMS.

8.1

TSB Hub

34. Matariki was a busy day at the TSB Hub, with two successful Ngāti Ruanui events taking place. Families enjoyed a morning of performances, entertainment, kai, activities and celebration, with the event receiving fantastic support from the local community. Following the Whānau Day, the venue was reset for the Puanga-Matariki Black Tie Celebration, marking 25 years since the Ngāti Ruanui Settlement signing. With the help of a group of volunteers organised by Ngāti Ruanui. The evening celebration welcomed guests and featured a dinner, live entertainment, and a DJ.
35. On Saturday, 4 July TSB Hub hosted the NZ Grappler West Coast Challenge Taranaki, the first Jiu Jitsu tournament to be held at the venue. The tournament welcomed both adults and children from across New Zealand, with competitors taking part in 350 matches throughout the day.

Pūtea Tautoko / Funding

Council Funding Round Dates for 2026

Council Fund	Open	Close	Focus Area
Local Discretionary Fund	6 February 27 March 8 May 3 July 14 August 18 September	27 March 8 May 3 July 14 August 18 September 16 October	Local community projects meeting the criteria as set by the individual Community Boards as per their application forms. District Wide applications will be received quarterly.
Creative Communities Scheme	13 February 10 August	13 March 11 September	Local arts projects meeting the criteria of broad community involvement, diversity, or young people.
Sport NZ Rural Travel Fund	16 January 3 September	18 February 2 October	Travel costs for regular, local sports competitions.
Waimate Development Levy	10 April 11 September	8 May 9 October	The development or maintenance of public assets that are located on Council

			owned property or reserves in the Waimate area.
Rural Hall Grant	26 June	25 September	Eligible applicants are notified directly.
Community Surveillance System Fund	26 June	25 September	Eligible applicants are notified directly.
Urupā Maintenance Fund	9 January 20 February 3 April 8 May 10 July 14 August	9 January 20 February 3 April 8 May 10 July 14 August 9 October	The purpose of the Urupā Maintenance Fund is to partially cover the costs incurred by urupā owners/trustees in the on-going care of their urupā.
Pātea Centennial Bursary	30 October	27 November	Pātea residents over the age of 15 years enrolling in part, or full-time tertiary study in 2026.

Karakia

9. Karakia

Ruruku Whakakapi – Closing Prayer

Unuhia, unuhia

Unuhia ki te uru tapu nui

Kia wātea, kia māmā te ngākau, te

tinana, te wairua i te ara takatū

Kia wātea, ka wātea, āe rā, kua wātea

Rire rire hau pai marire!

Draw on, draw on,

Draw on the supreme sacredness

*To clear, to free the heart, the body and the
spirit of mankind*

To be clear, will be clear, yes is cleared.

Deeply in peace!
