TE HĀWERA COMMUNITY BOARD DESIGN A SKATEBOARD

ORIGINAL DESIGNS ONLY

Te Hāwera Community Board wants your help to create a fence of skateboards. Your original design will be put onto an ACM skateboard shape that will dress the fence at the Hāwera Skate Park!

Original designs only. You must not copy from the internet!

Photocopy as many template pages as you need and create your design. Email your design to: info@zodiacsigns.co.nz

If your design is chosen for the fence the team at Zodiac will tidy up your image ready to transfer it onto a decal sticker. It will then be attached to an ACM shaped like a skateboard ready for the fence!
