

Do you have stationery left over from the school year?

Donate good, clean, usable:

- Pens, Pencils, Highlighters, Markers, Crayons
- Exercise Books, Notebooks, Art Books
- Erasers, Rulers, Sharpeners, Glue Sticks, Protractors, Scissors
- Calculators, Headphones, Book Bags

**Donate items from 1 November 2025 at your local
LibraryPlus or the Hāwera Administration Building.**

Will you accept a book that has a couple of used pages?

Absolutely! If it's in good nick, rip out the used pages and then it's as good as new!

What will happen to the donated stationery?

Any stationery donated will be given back to your local community, to tamariki and whānau who need a helping hand for the new school year.

Why should I donate?

Donating some unused stationery is going to make you feel good for three reasons

- You're going to help a local family get a leg up with next year's school supplies
- There's going to be less waste going to landfill (and less waste sitting around your home doing nothing!)
- This idea promotes reuse and sustainability - which even these little steps can start to make a big difference.
