Community Initiatives Fund - closes next week

Applications close next week (Wednesday 24 August, 5pm) for South Taranaki District Council's Community Initiatives Fund (CIF). Council Group Manager of Community and Infrastructure Services Fiona Aitken says this fund replaces the previous practice of groups applying for money during our Long Term and Annual Planning process.

"The CIF is designed to support community initiatives and activities that will make positive contributions to the social, economic, environmental and cultural well-being of the community. Applicants

should also see this as a complementary funding source, not a primary one, and priority may be given to applicants who can demonstrate they are seeking other sources of funding."

Further information and application forms for the Community Initiative Fund can be found on the South Taranaki District Council website www.southtaranaki.com/funding.

Applications close at 5pm on Wednesday 24 August 2022.
