READ and win at your local LibraryPlus next week!

South Taranaki LibraryPlus

READ!

Adult Reading Challenge
17 October – 18 November 2022

Read Books – Win Prizes!

All you need is a LibraryPlus membership to be in to win some awesome prizes at your local LibraryPlus next week. READ – the adult reading challenge – is starting on Monday 17 October and for five weeks, any book issued from one of our LibraryPlus centres will go in the weekly draw to win PaperPlus vouchers. You can also go into the draw to win an iPad simply by telling us what you think of the book you just read. Fill out a review card, and add a star rating. South Taranaki Community Outreach Librarian, Layne Winiata, says this is an exciting opportunity to re-ignite the reading habits of the South Taranaki public.

"We've seen a decrease in the number of books going off of our shelves and we miss seeing the friendly faces of our borrowers," she says. "It's exciting that we're able to do this and hopefully motivate some steady borrowing."

The challenge has been designed to engage readers, promote the physical collections the libraries hold and help to motivate continued steady borrowing from regular customers.

If you are not yet a LibraryPlus member, simply head into your local centre and sign up!

Head to www.southtaranaki.com/read to find out more.

Removal of Minimum Parking Requirements from the South Taranaki District Council Operative District Plan

Public Notice

Under section 55 of the Resource Management Act 1991 in accordance with Policy 11 and clause 3.38 of the National Policy Statement for Urban Development 2020 (NPS-UD), South Taranaki District Council gives notice of amendments to the Operative District Plan to remove all objectives, policies, rules, relevant provisions that have the effect of requiring a minimum number of car parks to be provided for any development, land use, or activity.

The parking design standards, requirement for access, and manoeuvring spaces in the District Plan are not impacted by the NPS-UD and remain

applicable to new development proposals. No changes to accessibility parking requirements in accordance with the New Zealand Building Code have been made as part of the changes to parking minimums.

As required under Section 55 of the Resource Management Act 1991, these changes to the District Plan have been made without using a Schedule 1 process (the typical public submission process for plan changes). The changes to the District Plan have immediate effect.

This notice is in accordance with Section 55(2A)(b) of the Resource Management Act 1991.
