Notes to submitter: You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority. If you are making a submission to the Environmental Protection Authority, you should use Form 16B. If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners.

Submission – RE: relocation of St John the Divine Anglican Church Otakeho
4 Campbell Road, Otakeho to 3500 South Road, Pihama

I have lived in Otakeho District all my life (35yrs). The St John Divine Anglican church has been a great treasure and icon of the Otakeho district and all the history that goes along with it. Sadly, it has been severely neglected over the past years and is in desperate need of repair before it is too late. The Stevenson's are planning to restore the church and display any historic items relating to the district and their families that have been connected to the church. I think that this is the only way forward for the church to be saved and lovingly restored to its former glory meanwhile staying in the South Taranaki district. I give my full support/consent for the Stevenson's to relocate the church.
