Proposal: Relocate a Category 2 Heritage Building, the former St John the Divine Anglican Church in Otakeho from 4 Campbell Road, Otakeho to 3500 South Road, Pihaia

3. Submission

Specific parts of the application that my submission relates to are:

The relocation of the Otakeho Church to Patricia and Mark Stevensons property at Pihaia

Christopher has lived in Otakeho all his life (31 years) and Anne for 28 and a half years. Our children are 5th generation to Otakeho. We are almost a stone throw from the Otakeho church. As sad as it is for the district to loose the icon we feel it is extremely important that the church is put in the good hands of Mark and Trish Stevenson, who we know will do an amazing job of restoring the church to an exemplary standard.

If the church was left at its current location it would continue to deteriorate and would continue to serve no purpose at all other than the odd photograph.

Mark and Trish are both good community people and will allow visitors to the church. It will be available for locals to add Artifacts and local history should they desire.

The church could not be in better hands for the future of its history and well being.

We have no hesitation in supporting this application to relocate the Otakeho Church.

I seek the following decision on the application:

We are in favour of the church been relocated.
