Proposal: Relocate a Category 2 Heritage Building, the former St John the Divine Anglican Church in Otakeho from 4 Campbell Road, Otakeho to 3500 South Road, Pihama

3. Submission

Specific parts of the application that my submission relates to are: The relocation of the Otakeho Church.

My Submission is: The relocation of this church will be an opportunity for it to be restored and repurposed. It will be well cared for so that many families from Coastal Taranaki can appreciate the history of the building.

(Continue on a separate sheet if required) It is obvious to me, that if left in its current location, it will experience a similar fate to other historical buildings in the area that have not been cared for. If approved, I look forward to putting my energy into helping restore the building. In particular restoring the organ will interest me as I have my Advanced Certificate in Piano Performance from Trinity College London. I will look after this church once it comes a time that my parents can no longer.

I seek the following decision on the application: The approval of the relocation of the Otakeho Church from its current position to Pihama.
