News from the South Taranaki District Council

Have a happy and safe festive season

2012 is nearly over and once again it has been a busy year. I am always amazed at all of the great things our citizens get up to. Recently I have been involved in a number of new projects around the district. The new lighthouse and museum at Cape Egmont, the Opunake Walkway, The Ronald Hugh Morrieson Room at Tawhiti Museum, the new Motorhome Park in Hawera, the Patea Swimming Pool and the release of four Kiwis at Rotokare Reserve. All over the district things are happening and most of the projects are initiatives that enthusiastic

locals have started and with some outside help from the Council and other funders have made them happen. This is the strength of our district. The ability of enthusiastic citizens to have a dream and make it happen. So I thank and congratulate all of you who have worked so hard throughout 2012 to make South Taranaki the fabulous place that it is. The Council has also had success' including obtaining some mundane but important achievements that will benefit our district. We obtained a Credit Rating and joined the Local

Government Funding Agency. Council owned facilities continued to be very popular with the Powerco Aquatic Centre and TSB Hub attracting large attendances and bringing conferences and people to our district. 2012 has been a good year I am sure 2013 will not disappoint. Thanks to all of you who have supported our district in some way. All the best for the festive season and I look forward to seeing you sometime next year.
South Taranaki Mayor,
Ross Dunlop
