Te Hāwera Community Board
Electing 4 Board Members

Andrew BLANCHE

My principal place of residence is in the Te Hāwera Community Board area.

Kia ora, I'm Andrew Blanche, and I would be very pleased to have your support in a vote for the Te Hāwera Community Board.

We moved to Hāwera 12 years ago for both my work and the lifestyle. Living in this community has provided us with many opportunities and solid connections with the people who are born and bred or chosen to move here for reasons like our own.

After serving as a local Funeral Director for seven years, on the Tawhiti School board, and now as an Artisan Baker, what binds all these is community. A community I enjoy and are proud to be a part of. This is important to me.

By serving on the Community Board, I am confident I can contribute positively to keeping this community a thriving and attractive town to live in.
