

South Taranaki District Council
Pātea Community Board
Electing 4 Board Members

Bronwyn WATTRUS

My principal place of residence is in the Pātea Community Board area.

I have been part of the Pātea Community for the past six years. During this time, I have appreciated the advantages of living in a small rural community, including the largely supportive and friendly place that South Taranaki is.

Having experienced different cultures and countries I hope to add some fresh perspectives to the intimate knowledge that the Community Board has of its local people and places.

During my time here I have helped set up the local gallery and been a part of the Planting Trust and Historical Society. Working in the museum I have had a chance to learn the complex history of the district and the way this affects us today. Keeping the community informed, problem-solving, and innovative thinking is my passion. I appreciate the opportunity to add to and assist the many wonderful things already in motion within our community.
