

South Taranaki District Council
Te Hāwera Community Board
Electing 4 Board Members

Celine FILBEE

My principal place of residence is in the Te Hāwera Community Board area. I am also standing for Te Hāwera General Ward.

Celine has served one term as a community board chair facilitating the completion of many community projects over that time and leading the board to make sound decisions on funding other community initiatives and organisations with services or projects that benefit the district.

If elected she will continue to identify and champion projects that are accessible to all members of the community and fund organisations and projects that do the same.

Celine will ensure that the board feedback to and lobby councillors on both the long term and annual plans and question and engage on decisions made around the council table when the opportunity arises.

Celine will continue to oppose the three waters reform and encourage council to do the same.
