Cheryl ROOK

My principal place of residence is in the Pātea Community Board area.

My name is Cheryl Rook, aged 67 and reside at 10 Okiwa Terrace, Waiinu Beach. With my husband Brian, have three adult children and six grandchildren.

My interests include gardening, caravanning, beach walks and taking an interest in the community including Pātea, Waverley and Waitōtara. I am a volunteer at Waitōtara school with children which I thoroughly enjoy and spend a day with my 3 1/2 year old niece each week. I am a member of the Pātea & Waverley garden club, Waverley & District Maternity Home (Abbotsford) and Waverley Chamber of Commerce.

I also support my husband who has varying interests within the community.

As both Brian and I were born in Pātea, we have a passion for our area and treat it as our home. I support all community happenings and I feel that I can contribute to our great region.
