**Glenn Charles ANDERSON**

My principal place of residence is in the Te Hāwera Community Board area.

Hi. I'm Glenn Anderson, 58 years of age, born in Wanganui. Moved to Hawera in 1975 attending Hawera Intermediate and Hawera High School. In 1982 I joined the staff working in the Hawera Post Office mailroom. I married Claire in 1985. We have 5 children and 7 grandchildren. In 1989 we moved to Gore as Salvation Army officers. We have lived in many NZ communities. In 2001 we returned to Hawera for three years. Following 27 years pastoring with the Salvation Army we moved to Patea and then to Hawera in 2020. My interests include family, church family, brass banding, entertaining, many sports and DIY. I have served as a Rotarian for 25 years. If elected I will bring a wide range of community service experience to the Hawera community to which I've been called back to over the years. I'm currently employed by the Hawera Baptist Church as Pastor
