

South Taranaki District Council
Pātea Community Board
Electing 4 Board Members

Jacq DWYER

My principal place of residence is in the Pātea Community Board area.

Keeping our community alive and active is a priority that I continue to have after two terms on the Pātea Community Board. I was born here and have lived here most of my life, and it is important to me that our district gets what it needs to thrive. In the six years I've been on the Community Board, I've been a part of several projects and events that have been successful in helping the people that live here to have better facilities, activities and memories.

If elected, I want to see that the Pātea, Waverly and Waitotara districts continue to get its fair share of improvements and facilities. I also place huge value on our environment and want to ensure we do all we can to protect it for the next generation. It's really important that the voices of the people from our district are heard.
