I offer my skills, knowledge and experience to serve you on the Te Kūrae Māori Ward.

I have extensive governance experience as I am a member of the Te Kāhui Matauraura (formerly the Iwi Liaison Committee). I am a Trustee on Te Kahui o Taranaki Iwi, holding the position of Board Chair from 2017 to March this year. I am a Pa Trustee and have served on community committees, including sports groups and schools.

I see this as an exciting opportunity to represent our communities within Te Kūrae and ensure that our voices and our aspirations for our current and future generations are understood.

Paimarire!
