No Pate ahau.

I wish to stand as a member of the Patea Community Board. I am fully committed to the community and the people of Patea.

I will strive for more opportunities for Patea, better engagement with the people, kaitiakitanga of the w'enua and moana and embrace the special culture that is the Patea community.

I am an experienced Board member who is the Deputy Tumu W' akaae of Ngati Ruanui. I am also the delegate Iwi Liasion for Ngati Ruanui with the STDC. These two positions have given me the skills and experience to navigate within the community and the council effectively.
