

South Taranaki District Council

Electing the Mayor

Phil NIXON

My principal place of residence is in the South Taranaki District Council area.

I have spent nine years on council, three of those as your mayor. If reelected as mayor, I wish to continue to work passionately and enthusiastically with the team of councillors and

staff to continue the sound and stable leadership that our council has had for many years.

I wish to see our district continue grow and prosper with good, commonsense leadership.

The last three years have been very challenging for all of us, including the local government space, dealing with the ongoing effects of COVID 19 along with the constant reform being thrown at us from central government.

Our district, in general, is doing very well at the moment. There are ongoing challenges for some of our businesses, the construction sector is seeing unprecedented growth, even with resource difficulties.

South Taranaki is a great place to live, work and play - together we can make it even better.
