

South Taranaki District Council
Eltham-Kaponga Community Board
Electing 4 Board Members

Sonya DOUDS

My principal place of residence is in the Eltham-Kaponga Community Board area.

I have been absolutely privileged to represent Kaponga as your Community Board Representative for 3 years.

I have listened to You and have been a strong advocate for your concerns raised.

In response to your feedback we have installed Heat Pumps in the Hall, extended WI-FI to our pocket park and financially supported the School Pump Track.

I continue to advocate for pool improvements, street lighting, improved amenities for our Hall and Victoria Park, and most importantly for Hollard Gardens Walkway. This Walkway would be a huge asset and bring strong economic benefit for our Community. Alongside this I have kept our Community informed at all times and continue to drive the Kaponga Community Group to assist with improvements for our Town. With your Support, I will continue to campaign for Our Town Improvements that we value, of which we All will benefit from in an attractive and thriving Community.
