

Southlink Extra

2020 Summer edition

Newsletter for South Taranaki ratepayers and residents

Welcome to Southlink Extra

Hello everyone and welcome to the summer edition of Southlink Extra. This quarterly newsletter compliments our Council Southlink publication which appears weekly in the Taranaki Star and provides another way for us to keep you informed about what the Council is doing in our district.

I hope you all had a safe and enjoyable Christmas/New Year break and got an opportunity to spend time with your family and loved ones. This is our first Southlink Extra newsletter since last October's elections and the Council inauguration. Along with a new Mayor and Deputy Mayor, we have six new Councillors and 10 new Community Board members, making for an excellent combination of experience and fresh approaches. (Please see the elected members on other side of this newsletter. Contact details are available on our website www.southtaranaki.com)

South Taranaki is an awesome district and I feel very privileged to have been given the opportunity to lead the Council team. We are really looking forward to working with all our communities and getting stuck into a range of projects over the next three years designed to make South Taranaki an even better place to live and do business.

Warm regards

Phil Nixon, South Taranaki District Mayor

New look website

If you've visited our website www.southtaranaki.com lately you will have noticed it looks a bit different. After 8 years it was time to replace the old site which was not very compatible with mobile devices. While we still have the same web address, if you had a specific page saved in your favourites tab, you may need to re-save the new site again www.southtaranaki.com - we hope you like the new site.

A new way to communicate with our residents

Antenno is a mobile app that sends the user Council alerts and notifications about places and topics they care about. It is free to download and use, and it doesn't ask for any personal information or login details, so it's a nice easy way to stay informed. As well as receiving notifications Antenno allows users to report back to council on issues or feedback.

Introducing your new Elected Members

Hello everyone,
I thought it was timely to introduce South Taranaki's recently elected Councillors and Community Board members. If you need any of their contact details you can go to our website southtaranaki.com and search under the 'Your Council' tab. There you will also be able to read about some of the key projects the Council has set as part of our 2015-25 Long Term Plan.
