### Something need fixing?

If your rubbish has been missed, a street light is not working or a pot hole needs filling...we need to know!

Please contact us directly if you have a request, complaint or even a compliment.

You can phone the Council on (06) 278 0555 or toll free on 0800 111 323, email [contact@stdc.govt.nz](mailto:contact@stdc.govt.nz), visit any one of our seven LibraryPlus centres or the Hāwera Administration Building, or visit our website [www.southtaranaki.com](http://www.southtaranaki.com) and complete an online Service Request Form or download our **new Antenno App**.

## A NEW WAY TO COMMUNICATE WITH OUR RESIDENTS

Antenno is a mobile app that sends the user council alerts and notifications about places and topics they care about. It is free to download and use, and it doesn't ask for any personal information or login details, so it's a nice easy way to stay informed. As well as receiving notifications Antenno allows users to report back to Council on issues or feedback.

### Notifications from Council

Antenno lets you choose the places you want to be alerted about, so you're not being alerted about things that don't matter to you. You can pick multiple "Places" (which could be the area you live in, work, where your children go to school, or where you like to exercise your dog) and then you will see updates from Council on community events, matters up for consultation, water shutdowns, changes to rubbish collections

and much more. You can also opt out of topics (e.g. topics about dogs) that don't interest you, so that you never receive those types of posts.

### Reporting back to Council

You can also use Antenno to tell us about things that need fixing, or give us feedback, direct through the app! Antenno makes it easy for people to submit feedback or report issues such as a full public rubbish bin, damaged footpath, road pothole, graffiti or submit feedback or an idea to Council.

### Download:

Download the app from the App Store or Google Play and save places you care about, such as home, work, your holiday home or school. What are you waiting for? Just search "Antenno".

**Arts in the Park**

#### FOOD STALLS

After browsing the stalls available, let your taste buds depart on a journey by visiting one of the many food and beverage stalls available.

#### KIDZONE

Check out all of the kid's activities at the playground. Get creative with artists at the Arts Tipi. Free kids games. Play on the bouncy castle or take a pony ride for a small fee.

## New Look Website

## Visit [www.southtaranaki.com](http://www.southtaranaki.com) today

If you've visited our website [www.southtaranaki.com](http://www.southtaranaki.com) this week you will have noticed it looks a bit different. After eight years it was time to replace the old site which was not very compatible with mobile devices. While we still have the same web address, if you had a specific page saved in your favourites tab, you may need to re-save the new page again [www.southtaranaki.com](http://www.southtaranaki.com). We hope you like the new site!

## Arts in the Park

The ever popular Arts in the Park event is returning to Hāwera's King Edward Park on Saturday 7 December. The gardens will be looking picturesque as the summer flowers bloom. There will be lots to choose from to get your Christmas shopping under way with the art and craft stalls spread around to sell their products. As well as the various arts and craft stalls there will be a kid's zone offering pony rides and bouncy castles, for a small fee.

This free event runs from 10am – 3pm on Saturday 7 December at King Edward Park, Hāwera. If the weather is not suitable on the day the event will be taken indoors to TSB Hub.
