

The plastics we can recycle are changing...

From September 2020, we will only accept plastics marked 1, 2 and 5 in your yellow-lidded recycling bin for Council kerbside collection and at the transfer stations. Keep an eye out for announcements through our Antenno App, STDC Rubbish and Recycling App, Council Facebook page and Southlink to stay up-to-date on recycling in Taranaki. If you want to know more, visit the 'Rubbish and Recycling' section of our website www.southtaranaki.com

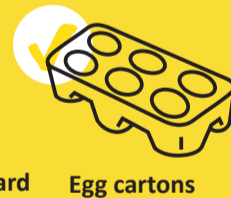

All other plastics marked 3, 4, 6 and 7 now need to go in your red-lidded landfill wheelie bin, as these will not be recycled.

What you can put into your yellow-lidded recycling bin

Plastic containers with numbers 1, 2 and 5 in a triangle

Check your triangles

Keep an eye out on your letterbox for a pack with everything that you need to know.

Top tips for sorting your hangarua (recycling)

1. EMPTY & RINSE
Remove all liquids and food scraps.

2. REMOVE LIDS
Place lids in the red landfill bin.

3. DON'T SQUASH
Leave bottles and containers unsquashed.
