He karere tā te Kaunihera o Taranaki ki te Tonga News from the South Taranaki District Council

The South Taranaki District is now at COVID-19 Alert Level 2. Find out more at www.covid19.govt.nz

Get your bin latches

FREE

If you are a resident on one of the kerbside collection routes, you can pick up a set of two bin latches (one each for your yellow-lidded recycling and red-lidded landfill wheelie bins).

Pick yours up from your local LibraryPlus or Council's Administration Building in Hāwera
*One set per property.

Scan this QR code to find out how easy it is to install your new bin latches, as well as some trouble shooting tips!

Pick up your free pair of bin latches

South Taranaki is no stranger to windy days! When the wind is gusting, it's common to see kerbside bins blown over, with rubbish and recycling tumbling across the District in the wind.

To prevent this unintentional litter, South Taranaki District Council is now offering free bin latches for kerbside collection users.

Bin latches are specifically designed to keep bin lids closed if they blow over in high winds, and release when bins are tipped upside-down into the rubbish truck. "On windy days we often receive calls about rubbish and recycling being blown around in the wind. Unfortunately, this material typically ends up as litter in our waterways. Bin latches are a simple and effective way to prevent this environmental damage as much as possible," says Environment and Sustainability Manager Rebecca Martin.

Latch installation is simple and takes about 30 seconds per latch. Scan the QR code to the left to see an instructional video about how to install your new bin latches.

To get your own set of two free latches (one each for your red-lidded landfill and yellow-lidded recycling kerbside wheelie bins), stop by your local LibraryPlus or the Council's Administration Building in Hāwera.

If you have any further questions, please contact the Environment and Sustainability team by emailing envirosus@stdc.govt.nz or call us on 0800 111 323.

Notice of impounded stock

Section 46(2), Impounding Act 1955
The following stock has been impounded:

Friesian cross, black/white, male (steer), rising 2-year-old. Uplifted from Swinbourne/Fookes Street, Waverley.

Unless claimed by the owners, the above stock will be sold by public auction or otherwise disposed of in accordance with the Impounding Act 1955 at the South Taranaki District Council Pound, Beach Road, Hāwera on Thursday 21 October 2021 at 1pm.

Dance the night away at the Christmas Cabaret

DINNER + ENTERTAINMENT + DANCING

13.11.21

CHRISTMAS CABARET

TSB Hub/Hāwera

Doors open at 6pm.
\$70 per ticket, or \$65 each for bookings of 10 or more.
Tickets available from South Taranaki i-SITE Visitors Centre.
Call (06) 278 8599 or email events@stdc.govt.nz

We've checked out the Level 2 rules and are satisfied we are able to offer an event that meets all the health requirements and lets us offer an event to socialise, have a meal and dance the night away.

Live entertainment throughout the evening will keep everyone's toes tapping. The Dance Project will perform during the Christmas feast, then Taranaki band Easy will get the crowd onto the dance floor for the rest of the night.

"Last year's event was a lot of fun for both local businesses and friends groups who attended," says Tarin. "We wanted to offer this again. Everyone needs a night out after the last few months and it's exciting to be able to bring this event back to support our local businesses." "Hub Catering will provide a delicious Christmas buffet with all the trimmings, so get your workmates, social club or group of friends together and come celebrate the festive season at TSB Hub on Saturday 13 November."

Tickets are now available from the South Taranaki i-SITE Visitor Centre for \$70 each, or \$65 each for groups of ten or more. Numbers are limited.

Should Alert Levels change and the event cannot go ahead, a full refund will be given.

It's time to eat, drink, be merry and dance the night away! After a successful event last year, the South Taranaki District Council is again hosting the popular end of year Christmas Cabaret. South Taranaki District Council Tourism and Events Team Leader Tarin Hunt says this is the perfect end of year social event for local businesses, friends groups, or just someone who wants a good night out.

Stay up-to-date with the Antenno App

Antenno is a mobile app that sends you alerts and notifications, about places and topics you care about.

There are two ways you can use Antenno; to receive notifications from council about the places you have marked as important to you, or reporting back to council on issues or feedback.

Antenno lets you choose the places you want to be alerted about. You can pick multiple "Places" (which could be the area you live in, work, where your children go to school, or where you like to exercise your dog) and then you will see updates from council on community events, matters up for consultation, water shutdowns, changes to rubbish collections and much more.

You can also use Antenno to tell us about things that need fixing, or give us feedback, direct through the app! Antenno makes it easy for people to submit feedback or report issues such as a full public rubbish bin, damaged footpath, road pothole, graffiti or submit feedback or an idea to Council.

Antenno is a useful channel that you can feed information back to us that will be logged on the Council's system as a Customer Request. Download the app for free from the App Store or Google Play. What are you waiting for? Just search *Antenno*!

Shop Local with Shop South Taranaki

Keep showing our local businesses some love! Visit www.shopsouthtaranaki.co.nz the online marketplace showcasing the great range of businesses and community services in our District.
