

Congrats to Pawsome Owners!

Congratulations to the winners of this year's Dog Registration Giveaway!
Each of these pawsome dog owners walked away with a \$350 prize pack simply for paying their dog registration on time, as well as making sure their emails were on our system.

Winners were drawn at random from our four community board areas.

Have Your Say on District Speed Limits

South Taranaki residents are being urged to have their say on road speeds across the District as part of the Council's 2024 – 2034 Speed Management Plan.

South Taranaki Mayor Phil Nixon says Waka Kotahi/NZ Transport Agency requires councils, as road controlling authorities, to develop 10-year speed management plans every three years and it's important that people have their say.

"Over the last 12 months we reduced speed limits outside our schools. Over the next three years we'd like to focus on delivering safe speed limits around marae, the Hāwera CBD, beach communities and on some of our 70km per hour roads," he says.
"The proposals to lower some speed limits across the District will have an impact on everybody, from our residents to our organisations and businesses. So, it's vital that we get the balance

right between safety and road user convenience."

The easiest way to have your say is to complete the online form at www.southtaranaki.com/consultation or drop into your local LibraryPlus or the Hāwera administration building to pick up a hard copy form.

Consultation runs until 29 October 2023.

Key proposals 2024 - 2027

- 60km/h outside all marae
- 30km/h in Hāwera CBD
- 30km/h in beach communities like Ōhawe and Waiinu
- Reducing 70km/h roads to 60km/h
